

Greetings,

This fall the Gypsy Market will be hosting "Silent Auction Trees" as part of our "Trees for Charity" fundraiser for Redeemed Ministries. There will be NO ENTRANCE FEE for the tree; 100% of your donation's proceeds will be given to Redeemed Ministries, an organization whose focus is to meet the needs of victims of commercial sexual exploitation in the greater Houston area. We are asking you to donate items to be auctioned to decorate your tree along with whatever else you envision to spruce it up! This will be an opportunity to let your imagination run wild. You may use a 3-4 ft tree and any color to go with your theme. Please join us in supporting this worthy cause because you truly can make a difference in a person's life.

If you know of another women's group or organization that would be interested in participating, please let us know.

The following are a few ideas of themed trees: Gardening, Cooking/Baking, Pet, Wine, Tennis, Texas, Spa, Italian, Movie Night, A&TM, UT, Bunco, Nutcracker, Boys theme, Girls theme and the sky is the limit to your creativity. Please visit our website at <http://www.gypsymarket.net/trees-for-charity.html> for inspirational pictures.

Look forward to hearing from you. Please contact us at info@gypsymarket.net and let us know the name of your group/organization and the theme of your tree so we can add you to the list.

Thank you,
Gypsy Girls
